THE NURSES CORNER

Pioneers Memorial Healthcare District Clinical departments.

While we celebrate their addition, we also mourn the loss of a key member of our department. Linda Joan Diaz served our organization for 49 years and 8 months before her passing on January 31, 2019.

Linda dedicated her most of her adult life to the organization starting as a volunteer in the laundry department and finishing out her career as part of our leadership council. Over her time at PMHD she shaped the future of many employees and will be greatly missed by everyone that knew her.

HOSPITAL WEEK MAY 12TH - 18TH

FROM THE CEO AND PRESIDENT

Hello, PMHD Family - we hope you are all doing well with the transition to Spring even though it feels more like Summer! Another month has passed and we continue to move forward on a number of projects aimed at strengthening our district and improving patient care in Imperial County.

Slowly but surely, progress is being made on our cath lab and surgery addition, the new GI lab, the new MRI and CT modular project behind the ER and of course, the expansion of our Pioneers Calexico Health Center. We’d also like to congratulate and thank the numerous employees honored at our recent Service Awards for all their years of dedication to PMHD.

We celebrated everyone ranging from five years with PIONEERS, all the way to 40 years as well as three retirees including Carlos Terrínez, Cathy Kadry and Sally Derma. It was a great evening of celebration with delicious food and good friends. March was quite busy for us as another fun event was our 5th annual PMHD Family Picnic on March 30 in the City of Imperial, There was a rock climbing wall, water play area for the kids, hot dogs, hamburgers, a live band, a train and trampolines.

A great time was had by more than 280 family members and it’s great to see that our celebration continues to grow each year. Thank you to those who took the time to enjoy it and helped see it come to life.

Finally, we truly appreciate the long-standing support of the Pioneers Memorial Hospital Foundation, which has raised more than $3,000,000 since its inception in the 1980s.

Most recently, the Foundation delivered a donation of $155,000 to the hospital for a MacLab Recording System. The technology will aid providers in the new cardiac cath lab to be opened later this year. Once again, THANK YOU, PMH Foundation and to all those employees that contribute through payroll each month.

STUDENT HEALTH CENTER AT IVC

Healthy students leads to healthy grades! That’s why Pioneers Memorial Healthcare District and Imperial Valley College have partnered together and operate the Student Health Center at Imperial Valley College.

The Student Health Center is a free service for currently enrolled students. Student Health Services recognize that wellness is essential for academic success. The Student Health Center Staff strives to promote basic first aid, health screenings for student going into an approved program, referrals to outside health and mental health screenings and outside agencies for reproductive services both men and women.

Their telephone number is 760-355-6310 and is located in IVC, Building 1500, #1536.

FREE FOR IVC STUDENTS!
PMHD FAMILY PICNIC

Our PIONEERS MEMORIAL Employees and their families mean the world to us! We all hope you had a great time at this year’s 5th Annual PMHD Family Fun Day Picnic on March 30th at Eager Park in Imperial!

PMHD FOUNDATION NEWS

Thank you so much to our Pioneers Memorial Hospital Foundation for its latest gift to our hospital! Our Hospital Foundation gifted us a check for $155,813.73 for a new Mac-Lab Recording System, which will be utilized in our soon-to-be completed Cath Lab.

The system will be part of a comprehensive cath lab workflow designed to help make PIONEERS more efficient and productive and strengthen our ability to care for our patients. Thank you to our awesome partners in health!
