To Whom It May Concern:

This is to notify you that Pioneers Memorial Healthcare District (PMHD) will be terminating its Physician Portal with Central Square effective **07/25/2021**.

PMHD has made a move and is currently participating in Manifest Medex (MX) which is California's largest nonprofit health information network. MX facilitates information sharing across 500+ healthcare organizations including over 90 California hospitals and seven health plans including Blue Shield of California, Health Net, Anthem Blue Cross of California, Inland Empire Health Plan, Health Plan of San Joaquin, Brand New Day and Golden State Medicare.

More than 800 providers across California use MX's services. We encourage all our providers who participated in our Physician Portal to consider making the move as well. For more information on how to sign up with MX, please contact Charles Alm at (charles.alm@manifestmedex.org).

If you have any questions or concerns, please feel free to reach out to me by email cteague@pmhd.org.

Thank you,

Carrie Teague
