Based on the June 2023 financials, the District is in default on both the liquidity and profitability covenants. Per the Series 2017 Bond requirements, the services of Warbird Consulting Partners (“Warbird”) were enlisted for assistance with revenue and expense-related recommendations. At the end of November 2023, Warbird provided the District with their assessment and recommendations for improvement of the District’s days cash on hand and overall profitability. Some of the recommended actions have already been put into force.

HR UPDATES

PAY SCALES /WAGE ANALYSIS

HR is working with the Nursing Administration to revamp our Nursing classifications and rates. We have identified opportunities within our nursing pay scales and are revamping some of our scales to be competitive in our areas as well as a tool for recruiting talent from outside the valley.

TRAINING AND EDUCATION

We are actively interviewing for the education and training specialist role. We have 2 excellent candidates and hope to make an offer by January 19th. We are revising many of our training courses in HealthStream to remain compliant for 2024. We have identified two new vendors for training and content for our clinical staff, this with the addition of a registered nurse as our education specialist, we anticipate expanding the training and education across all departments of the organization and really making some great progress over the next 3-6 months on the education and orientation front.

We are attending demo's for a new employee engagement survey to identify areas of opportunity for leadership. We are hopeful this will allow us the opportunity to really address the issues that are important to our staff. HR has also developed an electronic new hire and exit interviews. These surveys are sent to the personal email of the employees on a new hire's 7th day and any employee leaving will be emailed out on their last day. We hope to use this as a tool to address turnover in 2024.

We are also rolling out in February, a new hire orientation process to streamline the old content and make it more efficient and educational for new staff.

D. November 2023 Finance Report

Ms. Loper provided a copy of the P&L to those in attendance. There was an inpatient average daily census of 54 for the month of November. There was a \$1.5 million increase to gross revenue as a result. There was a slight decrease in gross revenue on the outpatient side. The inpatient side reimburses at a higher rate. There was a prior year recovery of \$538,000 due to overestimation of bad debt in the cost report. Expenses decreased from October to November. The bottom line for the month of November is a profit of \$1.9 million. Year-to-date, the District has a profit of \$3 million. We are better than budget by over double. Ms. Loper noted that there is a cap on the hospitalist's expense and that cap was reached in the month of October. The hospitalist expense will be less in November and December. It will jump back up in January, but not as high as they are now hiring and not using as many locums. Mr. Sorensen took a moment to celebrate the almost \$2.0 million profit that was thought unachievable last year. He noted that the District has a lot of talented people that have worked very hard to make this possible. A discussion ensued as questions were posed by Mr. Proctor regarding understanding the financials for PMHD and ECRMC. Ms. Loper advised that based on the bond covenants, the District is at 5.5 debt coverage ratio and the days cash on hand are at 95.3 days. Director Santillan asked what the current District's debt is at. It was noted that the District's bond debt is at \$14.1 million. Ms. Loper reported that she attended the Fitch rating review and left PMHD with the same rating as last year; stable with a negative outlook. However, they will revisit in six months as PMHD is doing much better and may change its rating to stable. In regard to the distressed loan, it has been mentioned that the awarded funds may not entirely be forgiven, only if certain benchmarks are met. No guidelines or decisions have been finalized yet.

E. Human Resources Report

SECTION

Mr. Sorensen advised that there was no significant change in the HR report from last month. Ms. Bojorquez reported that PMHD hosted a lunch for all the new nursing grads from IVC. The cohort was made up of 22 RNs and 17 LVNs. 12-17 of the RNs may be joining Pioneers; she is awaiting confirmation. The graduation ceremony was well attended and PMHD staff took pictures with the nursing students. Ms. Bojorquez mentioned that work continues with HR to recruit more experienced staff across the board. A success for Pioneers is in the recruitment of an experienced NICU Clinical Manager. Her start date will be January 1, 2024. Mr. Proctor asked what recourse employees have if they wish to issue a complaint. The process was explained by Ms. Nguyen, Legal Counsel. Director Santillan noted that if an employee has an issue that HR doesn't resolve, the employees can also bring that issue to the Compliance Officer or Legal Counsel. There are many avenues for employees to be heard.

F. Authorize Renewal of Membership Dues to the District Hospital Leadership Forum
Contract Value: \$60,026.²⁹; Contract Term: One (1) year; Budgeted: Yes; Budget Classification: Dues and Subscriptions

G. Authorize Donation of STORZ Laparoscopic Tower
Contract Value: \$16,556; Contract Term: One-time donation; Budgeted: N/A; Budget Classification: Capital

H. Authorize Proposal for Seismic Plan with Material Design Architects
Contract Value: \$299,900; Contract Term: Project completion; Budgeted: Yes; Budget Classification: Purchased Services

Item F – Director Berker asked if the membership with DHLF is worth it. Ms. Loper advised that they do a lot for the District and is definitely worth the membership.

Item Added as Emergency/Earth Movement Coverage– Director Rubin asked how much coverage is required for the earthquake insurance per the Bonds. It was noted that previous CFO, Roger Armstrong, reviewed and brought the coverage to the minimum level allowed by the bond as the District was paying three times the coverage at the time.

Item H – Mr. Sorensen requested that Item H be pulled as more options will be explored. San Gregorio recommended a consultant that helped them through the Seismic Compliance without the need to build a new building.

A motion was made to approve Items B through G, with the exception of Item H, by Director Rubin, seconded by Director Aguirre. **The motion was unanimously carried.**

V. MANAGEMENT REPORTS – The Board will receive the following information reports and may take action. *(time: 6:45 pm – 7:30 pm)*

A. Operations Reports – Damon Sorensen, Interim CEO

1. CEO Report (Interim Chief Executive Officer)

Mr. Sorensen mentioned that the new CEO will be in the Valley starting tonight as will be looking for housing this weekend. He should have a solid start date after this weekend. Targeting for a start date in January 2024. Mr. Sorensen mentioned that the PMH Foundation has been very concerned about the AB 918 bill. He attended their last Board meeting and discussed them reviewing their

SECTION

bylaws and making minor adjustments to make sure their funding remains to benefit the Brawley community. The PMH Foundation was able to close on the sale on a piece of property that was donated to them. They are asking the PMHD Board for any ideas on what hospital needs they could contribute to with those funds. One idea he shared with the Foundation is possibly holding a fundraising campaign to eventually build a new skilled nursing facility.

2. Hospital operations (Chief Nursing Officer)

Ms. Bojorquez stated that there were 90 transfers for the month of September. The three top types of transfers were related to GI, Pediatrics and neurosurgery. She just received the data for October, so she will be working on that report. Dr. Sweet does provide GI coverage, but some cases require a higher level of GI care that he cannot provide. Dr. Sweet will consult on those cases and acknowledge the level of care and agree that they do need to be transferred out. Director Berker asked how Dr. Hassaneien is doing. Ms. Bojorquez said that she has not received any data yet to check on that physician, but she has received positive feedback from other physicians and staff. She reported to the Board that HCAI finally approved the work necessary to connect the DaVinci. The OR Director and Facilities Director are working on getting the electrical project completed. It is hoped that it will all be done and ready to go by end of January 2024. Ms. Bojorquez provided a quick overview of the HCAPHs scores to the Board. All leadership and medical staff also receive a copy of this report.

3. Clinics operations (Chief of Clinic Operations)

Ms. Zamora advised that she does not have the stats report, as those are not available until after the 15th of the month. However, there has been a lot of work done in recruitment in the last few weeks in the areas of OB/GYN, Neurology, Primary Care and GI.

4. Medical staff (Chief Nursing Officer)

Nothing further to report.

5. Finance (Chief Financial Officer)

Nothing further to report.

6. Information technology (Chief Nursing Officer)

Ms. Teague advised that the first Cerner testing event has been completed. There was participation from staff from many different departments. The staff learned a lot and found the system is easy to use. The finance side of the application did not go as well, but that is because the charges are still being built. There will be another event on January 9, 2024, and hope to have more of the charges built into the system to test. The second event will be led by Pioneers. The first one was led by Cerner. There will be another testing event in February, where none of these hiccups are expected to be seen. Thus far, everything is going on track for April 2024 Go-Live. Cerner will be coordinating training with Directors and their

SECTION

departments. A schedule, through MS Bookings, will be sent to the Medical Staff, to see what kind of response we receive for physician training.

7. Marketing (Director of Marketing)

It was reported that the PMHD float won overall distinction in the City of Imperial Parade of Lights. Ms. Bojorquez recognized Ms. Ramirez for spearheading the release of the monthly newsletter to provide information to the staff and community members about Pioneers. We are trying to highlight all the positive efforts going on at PMHD. The newsletter has been posted in various physical areas and on social media.

8. Facilities, logistics, construction, support

Mr. Sorensen mentioned that one of the key items to be acquired with the distressed hospital funds is a chiller. The process to acquire one has been started. The whole project will take about 1 ½ - 2 years to complete.
